CASE DESIGNATED FOR PARTICIPATION IN THE COURT'S E-FILING PROGRAM

Pursuant to order of the court issued on 05/07/2009, this case has been designated as complex. Also, pursuant to Administrative Order 2002-127, this case is now subject to mandatory e-filing.

The e-File Case Manager has fully reviewed the case history as reflected in both the case file and the iCIS case management system, and designates this case for participation in the Complex Civil Litigation e-Filing Program as established by Administrative Order 2007-140. Mandatory e-filing and electronic service will commence immediately. ANY FILINGS NOT EFILED WILL NOT BE CONSIDERED BY THE DIVISION UNTIL PROPERLY EFILED.

All parties and attorneys of record in this case are strongly encouraged to study this material. The website address for training materials is: <http://www.clerkofcourt.maricopa.gov/efiling/default.asp>

The Clerk's Office shall be available for instruction and training as needed.

The eFiling system website address is
<http://www.clerkofcourt.maricopa.gov/efiling/default.asp>

The site contains supplemental training and other reference materials, including contact names and phone numbers, to assist with any questions.

All attorneys of record shall electronically file and serve all pleadings in accordance with the guidelines set forth in Administrative Order 2007-140. Electronic service may be accomplished through any court certified eFiling provider. The current court certified eFiling providers and the guidelines for eFiling are set forth at:
<http://www.clerkofcourt.maricopa.gov/efiling/default.asp>

Self-represented parties or pro per litigants, and other case participants like Mediators, Arbitrators, and Special Discovery Masters are strongly encouraged to eFile all pleadings. If a self-represented party, or other case participant chooses to file their pleading in paper, they shall include a notation just under the case number on the first page of the pleading that the case is an "EFILE CASE."

The eFiling system can be accessed from any computer that has an Internet connection. Free internet access terminals are available in the Superior Court Law Library, and other public locations such as most public libraries.

If an eFiling requires a filing fee, the Clerk of the Court, upon accepting an eFiled document, will assess the fee and may contact the filing party by phone for credit card payment, or issue a bill to the filing party by mail. For those filing participants who choose to utilize the services of a qualified eFiling provider, the Court has authorized that provider to collect payment of filing fees.

eFiled Orders from the Court will be distributed to attorneys in the same manner each attorney has elected to receive Minute Entries from the Court. Attorneys may enroll with the Clerk of the Court to receive their Minute Entries electronically via e-mail. The Minute Entry Distribution Agreement form may be downloaded at:
<http://www.clerkofcourt.maricopa.gov/forms.asp>

Motion practice: The movant determines the caption of the filing and all captions on subsequent related filings shall bear the same designation. For example, the filing of a motion captioned "Defendant's Motion for Summary Judgment on Negligence" shall result in any subsequent related filings referring to that title in the caption: "Plaintiff's Response to Defendant's Motion for Summary Judgment on Negligence." No response to a motion shall contain a separate motion, except in the case of a cross-motion bearing the same designation.
